Applying for TSA PreCheck just got easier: Office Depot and Telos partner to bring new enrollment locations to Georgia, Tennessee and Texas

BOCA RATON, Fla. and ASHBURN, Va., June 24, 2024 (GLOBE NEWSWIRE) -- Office Depot, an operating company of The ODP Corporation and a leading omnichannel retailer dedicated to helping its small business, home office and education customers live more productive and organized lives, and Telos Corporation (NASDAQ: TLS), an authorized TSA PreCheck® enrollment provider, today announced additional TSA PreCheck enrollment locations with the opening of five new locations at Office Depot retail stores in Georgia, Tennessee and Texas beginning on June 21, 2024. This follows the previous addition of 20 new locations since May 2024 in states including Arizona, California, Colorado, Texas and Washington.

"Aligned with our focus on providing a variety of solutions to our clients, we are excited to partner with Telos Corporation to provide TSA PreCheck enrollment services," said Kevin Moffitt, executive vice president of The ODP Corporation and president of Office Depot. "Providing the convenience and ease to enroll in the TSA PreCheck program through our nationwide retail store locations is ideal for anyone looking to simplify their air travel experience. We are excited to expand this service, along with other travel essentials, to more stores in the near future."

"Telos is proud to partner with Office Depot to bring expanded opportunities to enroll or renew for TSA PreCheck to your neighborhood for an easy, convenient enrollment experience," said John Wood, CEO and chairman, Telos.

Telos now has 53 TSA PreCheck enrollment centers open across the U.S., with 51 locations at Office Depot and OfficeMax retail stores. Office Depot and Telos will continue expanding to additional locations nationwide throughout 2024 and 2025, delivering convenience to consumers through extended hours of operation for TSA PreCheck enrollment and renewals.

TSA PreCheck members benefit from the convenience of keeping shoes, belts and light jackets on through the security checkpoint, and keeping electronics and 3-1-1 compliant liquids in carry-on bags. Members typically get through airport security screening much faster, with about 99% of members waiting less than 10 minutes at passenger checkpoints nationwide.

New TSA PreCheck applicants can start their applications online or schedule an in-person enrollment appointment by visiting the authorized TSA PreCheck Enrollment by Telos website, <https://tsaprecheckbytelos.tsa.dhs.gov>. Existing TSA PreCheck members throughout the U.S. can renew directly on Telos' authorized TSA PreCheck website, regardless of the provider they enrolled with originally.

A list of current Telos enrollment locations is included below and on the Telos TSA PreCheck website: <https://tsaprecheckbytelos.tsa.dhs.gov/locations>.
